# REGIONAL HOUSING PLAN: AMESBURY COMMUNITY HOUSING NEEDS WORKSHOP

July 10<sup>th</sup>, 2017 @ 7PM

City Hall Auditorium

In 2017, the Merrimack Valley Planning Commission is embarking on a unique project to create the first Regional Housing Plan for the Merrimack Valley. This project will engage a variety of stakeholders throughout the region to identify the types of housing we need, who we need to create housing for, and what strategies and partnerships need to be in place to accomplish local and regional goals to create housing for all. **The City of Amesbury has partnered with MVPC** and the final version of the Regional Plan will serve as our community's certifiable housing production plan over the next 5 years.

On **July 10<sup>th</sup>, 2017 @ 7PM** we invite you to participate in the **Amesbury Community Housing Needs Workshop** to discuss housing needs Amesbury with the Amesbury Planning Board. The workshop will begin with an overview of local demographics and our existing housing scenario, followed by a facilitated, interactive discussion of our community's housing needs now and in the future. We will meet in **the City Hall Auditorium** for this hour-long workshop.
